

Credit Card Payments Control

Through the Credit Card Payments Control, a fully automated solution is provided to balance all your credit card sales automatically against the credit card payments on your bank accounts. With this solution you have the effective control of all payments of the credit card entities. The correct settlement and matching of your money is ensured.

sCorporate Profile

Lamberth Airline Solutions is a service provider for the international air transport industry.

We serve over 15 airlines in more than 20 countries.

We market our **proprietary software, which our customers use to optimize their back office activities** e.g., in their accounting, sales and direct marketing departments. We also offer our customers a complete range of outsourcing services for complete back office processes, supported by software systems and a professional and highly knowledgeable staff.
