

Flown Revenue Management

We capture and scan all flown ticket coupons and match them with BSP and direct sales ticket information. We check the not reported or refunded documents and issue respective ADMs. Extensive flown revenue statistics are provided.

- capture and scanning of flown ticket coupons
- matching with airlines sold database/hand off tape
- manual check of not reported or refunded documents
- issuing of ADMs
- flown revenue statistics

Corporate Profile

Lamberth Airline Solutions is a service provider for the international air transport industry.

We serve over 15 airlines in more than 20 countries.

We market our **proprietary software, which our customers use to optimize their back office activities** e.g., in their accounting, sales and direct marketing departments. We also offer our customers a complete range of outsourcing services for complete back office processes, supported by software systems and a professional and highly knowledgeable staff.
