

Sales Statistics

Comprehensive sales statistics are generated. Through the detailed information, customised marketing campaigns can be initiated and successfully completed.

The statistics are reporting all relevant sales data per:

- departure/origin
- arrival/destination
- bookings incoming, open and travelled
- agencies, agency chains, agency groups and key-accounts
- town offices, airport offices and online sales
- sales area per ZIP-code
- passenger age
- year to date and year to year comparisons
- per origin and destination
- export to Excel

Corporate Profile

Lamberth Travel Solutions is a service provider for the international air travel industry.

We offer our customers a **wide range of outsourcing services and consultancy for complete back office processes**, supported by own software systems and our dedicated travel industry professionals.

We globally market our proprietary software and web-services, which our customers use to **optimize their back office activities** e.g., in the Revenue Accounting, Finance, Administration and Sales department.

Through our highly automated Business Process outsourced (BPO) services and state-of-art software systems, **our clients improve their financial performance** and can focus on their core and strategic issues.
