

Ticketing

We support tour operators by fulfilling the complete ticketing to the travel agents and the passengers:

- invoice printing
- mailing of invoices to customers
- check of payments received
- voucher-/ticket print
- mailing of vouchers-/tickets to customers
- managing the deposits of vouchers-/tickets at the airports

Corporate Profile

Lamberth Travel Solutions is a service provider for the international air travel industry.

We offer our customers a **wide range of outsourcing services and consultancy for complete back office processes**, supported by own software systems and our dedicated travel industry professionals.

We globally market our proprietary software and web-services, which our customers use to **optimize their back office activities** e.g., in the Revenue Accounting, Finance, Administration and Sales department.

Through our highly automated Business Process outsourced (BPO) services and state-of-art software systems, **our clients improve their financial performance** and can focus on their core and strategic issues.
